

Project Kidz Kove

Play is universal

Catch a Wave!!!

This laser cut weather-proof , acrylic wave plaque is a beautiful, fun way to show support for your community. By joining this campaign you are not only contributing to the wonderful cause that will result in Kidz Kove Discovery Park, but your support will be immortalized in an integral part of the park's design. Once the fence is full of these waves, it will form a visible ocean of support for our "kidz"!

Name:

Contact info. (phone/email)
